ABOUT IINSIGHT

IINSIGHT and the establishment of the IINSIGHT Group of Organization are truly remarkable. IINSIGHT boasts an expansive 111-acre residential campus in Vrindavan City, Jamtha Nagpur. Furthermore, its corporate office and training centre is strategically located at Jaiprakash Nagar Square in Nagpur, complemented by additional city centres in East and Sadar region of Nagpur, as well as a study centre in Chandrapur city. Excitingly, IINSIGHT is coming up with new centres this in Nagpur (Dharampeth & Besa), Gondia, Amravati, Jabalpur and Pune. All training centres will be dedicated for preparing students for competitive entrance exams such as JEE and NEET, as well as Boards Exams. IINSIGHT is renowned for its unwavering commitment for delivering comprehensive and outstanding education in both urban and rural areas.

With more than two decades of expertise in the field of education, our contributions have unquestionably played a pivotal role in the institute's accomplishments. We have been diligently guiding and mentoring students, facilitating their admission into prestigious engineering and medical colleges and institutions throughout the nation. In addition to this, we also have three junior science colleges, a CBSE School and a Pharmacy & Nursing college.

The fact that IINSIGHT group boasts an employee base of 430 highly qualified individuals, including IITians, NITians, and Doctorates, who are shaping the careers of over 2000 students is a testament to their commitment to providing quality education.

VISION

We aim to become one of the most trusted brands in the education sector and assist young aspirants in accomplishing their ambitions

MISSION

Our goal is to establish an environment of academic excellence facilitated by emerging pedagogy and technology to provide students quality education through personalized learning plans, one-on-one instruction, a phenomenal faculty, and the best facilities.

DIRECTOR'S MESSAGES

Dear Parents, Students and Friends.

Everyone aspires to success in the cutthroat world of today in order to further their careers. Although it's common to think of success as a mental state, job progress calls for a committed and calculated approach. IINSIGHT is dedicated to assisting students in developing their capacity for critical thought, performance, and problem-solving.

Success becomes a way of life for our kids thanks to the persistent efforts of our committed faculty and staff. To assist students in developing a thorough understanding of their subjects and lowering exam anxiety, we provide carefully created study materials and frequent examinations.

We are here to give today's students the support they need to attain their career goals because we have faith in their brains and commitment. Join us to discover how our pursuit of perfection, quality, and innovation can change your life and mould you into a successful professional.

Prof. Jyoti Iyer

Managing Director
M.Sc., M.Phil., B.Ed.

Dear Aspirants,

In this great year, we witnessed our nation to script many firsts, including successful landing of Chandrayan-3. We also saw our nation to successfully fight Covid 19. Our great scientists, engineers and doctors have again and again proved that we can lead the world.

You are the future of this great country and the whole nation is looking at you with great expectations. You are the ones bubbling with tremendous energy and enthusiasm. You have reached a turning point of your life and must now prepare to win in this era of competition. It has opened sea of opportunities for you, so many professional courses are there to choose from. They are in great demand as they are more rewarding and also more challenging. In these courses you learn how to apply knowledge for benefit of society.

The school examinations normally assess your information base. Now, it is high time to learn how to convert information into knowledge and then you have to learn how to apply your knowledge. Your ability to apply knowledge is precisely assessed in the competitive exams like JEE, NEET, CET and many more. This ability needs to be developed with great pains and patience. At this point, IINSIGHT comes to your help.

Physics, Chemistry, Mathematics or Biology are merely the subjects which allow you to achieve this transformation. The final goal of all such great programmes is to make you self-propelled. We, the mentors at IINSIGHT are eager to help you achieve this!

Happy Transformation !

MEDICAL

NEET (UG) stands out as one of the most challenging medical entrance exams held in India. The National Testing Agency (NTA) administers this National Eligibility cum Entrance Test every year to evaluate applicants' eligibility for undergraduate programs in MBBS, BDS, Ayush courses, and Veterinary sciences. According to the Government of India, clearing the NEET Exam is a mandatory prerequisite for pursuing medical courses both within India and overseas.

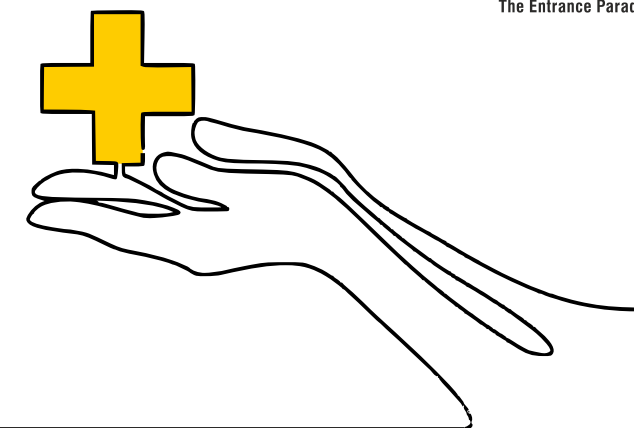

IINSIGHT's dedication to offering all-encompassing NEET coaching to assist prospective medical students in reaching their objectives is clear. The National Eligibility and Entrance Test (NEET), a critical prerequisite for receiving admission to medical institutes in India, is a major focus area for IINSIGHT students. Through personalized attention and a research-supported approach that yields outcomes, the IINSIGHT NEET Program stands as the top choice for students aspiring to excel in the NEET while simultaneously preparing for the XI and XII board exams.

IINSIGHT, the best long-term coaching for NEET, provides complete comprehensive study material, test series, doubt clearing sessions, regular tests, mentoring sessions, separate board classes and much more. Our aim is to help you achieve your aim with 100% confidence and prepare you well for your bright future.

A straightforward and uncomplicated teaching approach, focusing on fundamental principles and timely syllabus completion, enables students to engage in independent study and practice at home with ease. IINSIGHT, recognized as the top choice for long-term NEET coaching, provides a comprehensive package that includes thorough study materials, test series, doubt resolution sessions, frequent assessments, mentorship sessions, dedicated board exam classes, and numerous additional benefits. Our goal is to assist you in achieving your ambitions while maintaining steadfast confidence and making careful preparations for a bright and promising future.

Our Courses :

2 Years Day Boarding Program / 2 Years Residential Program : This two-year program is offered after the completion of grade X (10th grade). The program will encompass the study of PCB (Physics, Chemistry, and Biology) for the XI-XII grades, focusing on both board exams and medical entrance exams.

Students should anticipate receiving thorough comprehensive education and training in these fundamental science disciplines during the program's first phase. This will comprise a combination of in-class training, assignments, and assessments targeted at laying a strong foundation in these areas.

The program will be in line with both the board's curriculum and NEET specifications. It will incorporate mock exams, practice papers, and guidance on exam strategies to enhance students' performance in both board exams and NEET. Additionally, students will receive personalized support including counselling, mentoring, and facilitated parent – teacher communication to assist them in navigating challenges.

For Residential Students : Maintaining a successful balance between academics and extracurricular activities is crucial in a residential program. Students may have the opportunity to take part in sports, the arts, and other activities within the program that support a well-rounded holistic development experience at the IINSIGHT Residential Campus.

1 Year NEET Repeater's Program : The repeater batch is a one-year training course designed for ambitious aspirants hoping to excel the NEET exam and looking for specialized guidance to improve their rankings. This program is tailored for students who are retaking the exam, focussing on enhancing weak areas, rectifying previous errors, and refining the crucial abilities required to excel in the NEET exam. Regular Mock Tests, Doubt Clarification, Revision and Practice & Parent-Teacher Communication are salient features of this program, ensuring that students are well-prepared maintain thoroughly and are ready for the ultimate examination.

NEET Test Series : An important supplement to NEET preparation, particularly for students who favour the conventional pen-and-paper format or desire a real exam ambiance before the actual NEET test. Following each test, students receive a comprehensive performance analysis, complete with a scorecard and answer key, enabling them to pinpoint their strengths and areas needing improvement.

I have never expected such occupations for myself but the dedication & courage of my institute teachers provided me with the wings to gain such occupation. I am also very much thankful to Mr. Suraj Iyer Sir for always motivating me & helping everytime. I would also like to thank all the teachers, warden & staff. Whatever Insight gave is what I can't express in words but I tell you that if you join this you'll never regret. Their study material, teaching staff & all other facilities towards the growth of your success will never leave you back from anyone else. They provide you support for both academic & emotional issues as you are away from home. By too much efforts of me & my institute I secured ECE branch in IIIT Nagpur.

Thanking you

RISHIKESH WANKHEDE (IIIT-NAGPUR)

Myself Tanmay Pravin Watekar and I am a student of 2021-2023 batch at Insight Residential Institute situated at Jamtha. I got enrolled in IIIT Nagpur with a core CSE branch through cracking JEE entrance exam with a high percentile which was all possible just because of the efforts of my faculties and other supporting members including wardens too. Even if I am not that student who studies very hard still with the help of my great faculties I secured a seat in IIIT Nagpur CSE core branch. Thankyou

Myself Alok Dangre from batch 2021-2023. Studied in Insight Institute. I would like to thank the director of IINSIGHT Mr. Suraj Iyer Sir, for his dedication, efforts and all the help he made for us. I would like to thank, all teaching staff and non-teaching staff for being with me throughout my two years journey. I would like to thank my teaching staff for your amazing lectures and discussion. I learned a lot from you all, thank you for your extra time, which you always gave to us in all situations. Thank you for all that you do for your student. I really enjoyed your class and was actually excited to come to class everyday. I am thankful for passionate professors like you. I appreciate your caring disposition and teaching style. I would also like to thank all teachers for solving all my doubts and confusions. Mindfully, I also appreciate your teaching dedication towards all NEET aspirants. You were always being with all of us whenever we needed your help, for some guidance or discussion. Once again thank you for all of Insight staff for this wonderful two years.

ADVANTAGES OF RESIDENTIAL CAMPUS

For aspirants spending two years away from home during their 11th and 12th grade, this time is dedicated to preparing for India's most prestigious competitions like JEE, NEET, NDA, and more. They do so while simultaneously attending an integrated 11th and 12th-grade school. This unique educational experience takes place in a natural environment and is led by some of the most outstanding educators in the industry. The facilities provided include state-of-the-art digital classrooms, top-notch study materials, accommodation, a cafeteria, and a playground. They share this journey with like-minded friends, all with aspirations of becoming the brightest minds of India. In essence, it's a modern Gurukulam for the 21st century.

Residential Facilities :

24 x 7 Security Guards and Wardens (separately for boys and girls).

Dining facilities: Milk or tea with breakfast, lunch, tea & dinner, (special feast on Sunday)

Separate Boys' and Girls' Hostels of INSIGHT Jr. College.

Regular Medical Check Up.

Daily sports and physical fitness activities.

Filtered UV and RO Water.

CCTV Surveillance for security.

Benefits of INSIGHT Residential Jr. College !

In a residential campus, students dedicate more time to learning, leading to increased productivity in terms of results. Even students with average abilities tend to perform significantly better.

The key to success in competitive exams relies on effective self-study, ensuring that the material taught on a given day is reviewed on the same day within a structured study environment and under appropriate guidance. This practice is feasible primarily within a residential campus.

The study approach involves repeated revisions conducted after the completion of teaching sessions, all under the guidance of expert faculties. This approach fosters a deeper understanding of subjects and significantly enhances academic outcomes.

Travelling consumes a significant amount of time and has adverse effects on both physical health and mental well-being. Moreover, the uncontrolled use of mobile phones and interactions among students outside of designated study environments can significantly hinder overall student productivity.

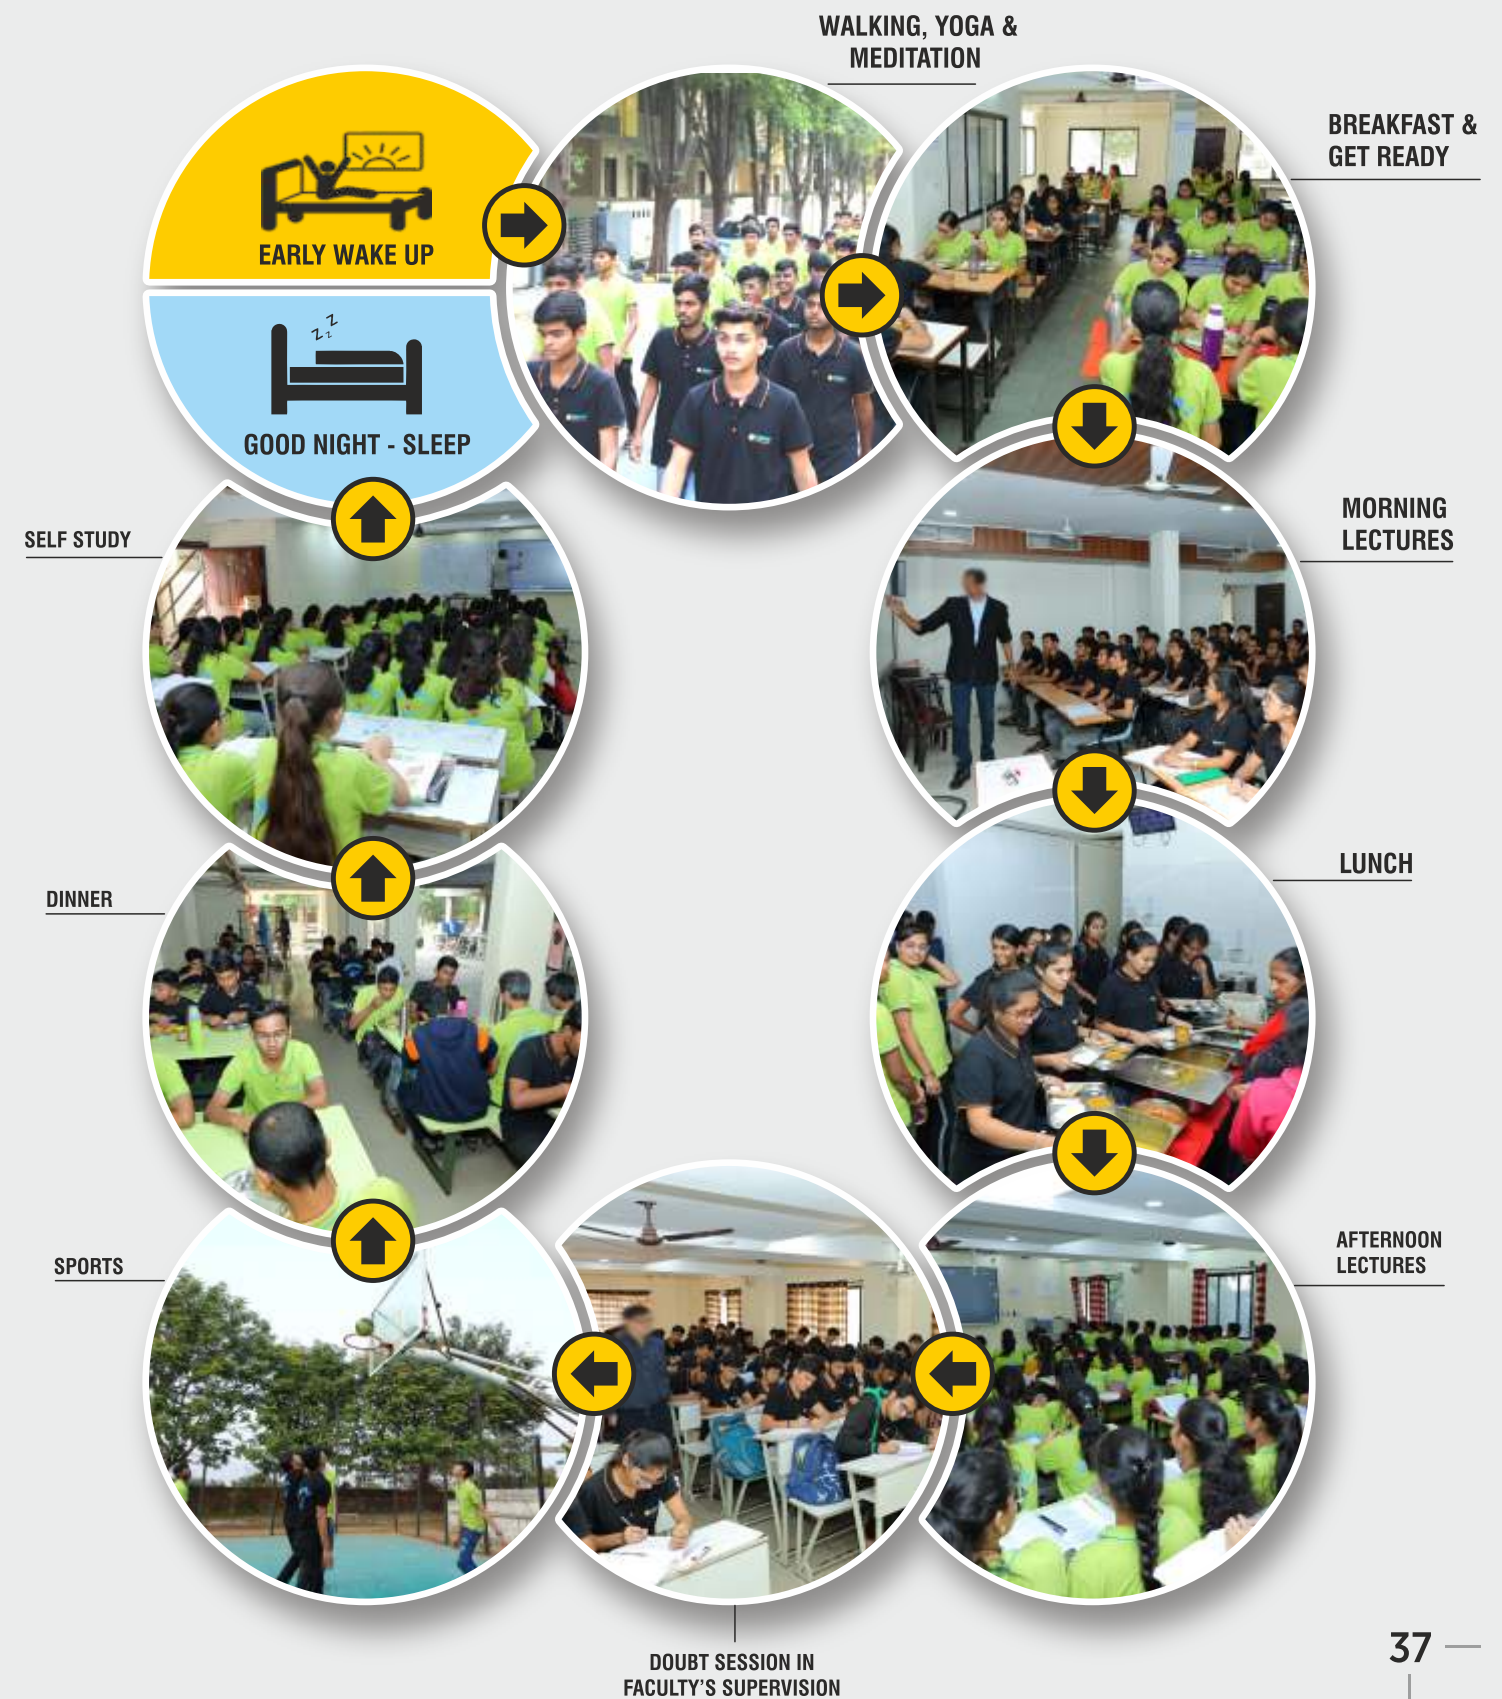

Students develop a greater sense of responsibility and independence, acquire collaborative skills, and enhance their ability to confront life's challenges at an appropriate stage in their development.

The students are greatly empowered in many areas of their development by a highly qualified staff that offers crucial assistance such as academic counselling, office administration, clean and well-maintained hostel facilities, a quality canteen, sports amenities, and medical services, all under the watchful eye of surveillance cameras.

Student performance updates are regularly shared with parents, and timely communication between students and parents is maintained. On specific Sundays, parents have the opportunity to visit and, following appropriate protocols, can take their children for outings, ensuring a highly secure campus environment.

Regular counselling sessions are conducted for students encountering difficulties in both their academic and personal endeavours. The results of these sessions are communicated to parents.
